## Licence terms and conditions

Licensee accepts the terms and conditions as stated in this order form and the general terms and conditions valid for the EWIS software at [www.ewis.nl/software/termsconditions](http://www.ewis.nl/software/termsconditions).

- ICT-Office\_General Module.pdf
- ICT-Office\_Module 1 Software License.pdf  
(*ICT-Office is a Dutch association of ICT companies.*)

The licence is a multi-user licence for the designated site, and for an unlimited period of time, unless licence is terminated in accordance with the terms and conditions.

## ECN address

Please send the filled out order form to:

ECN, dept. Finance & Commercial Support  
P.O. Box 1, 1755 ZG Petten, the Netherlands  
Fax: +31 224 564970  
e-mail: [ewis-finance@ecn.nl](mailto:ewis-finance@ecn.nl)

## Payment and delivery

On receipt of your order form we will send you an invoice for the software and after receipt of payment the software will be delivered without additional costs.

Any taxes or fees that may be levied by your government for the import of the software have to be paid by you or your import agent.

We recommend payment by bank transfer to the following bank account:

ING  
Amstelplein 1  
1096 HA Amsterdam  
Swift code: INGBNL2A  
IBAN code: NL62 INGB 0651 0623 22  
Account number: 65 10 62 322  
Account name: ECN  
VAT number ECN: NL 0017 52 625 B01  
Ref.name: EWIS projects  
or: invoice/project number

## Scope of supply

If you order the BLADMODE software, the following will be delivered:

- Executable
- User manual
- Directory with examples

Included in the price is a maximum of 16 man-hours technical and software support (by telephone and/or e-mail, not on-site) during the period of one year after delivery of the software.

After one year it is possible to buy a service contract for € 2 500,-, entitling the user to an update of the software, if available, and a maximum of 16 man-hours software support (by telephone and/or e-mail, not on-site) for another year. ECN will contact you before the end of the one-year support period to offer you the possibility of a service contract.

The software and documentation are written in English.

## Optional: Training

A training in Aeroelasticity Of Wind Turbines given by ECN experts can be ordered. More details can be found in the brochures on the EWIS website ([www.ewis.nl](http://www.ewis.nl)):

- Training Aeroelasticity Of Wind Turbines (CO-930)

This order form and prices mentioned are valid until 31 December 2012.
